Report of Principal and School Improvement Council

Thomas C. Cario Middle School continues its tradition of excellence in academics, arts, and extra-curricular activities, and is a highly successful middle school with a large campus, a small-school atmosphere, and huge opportunities for students. Our students have shown growth in reading and mathematics through their Measures of Academic Progress (MAP) scores and have also consistently demonstrated mastery of rigorous academic standards.

Cario provides a quality academic program at all grade levels, with a structured system of interventions for students who need academic assistance. We continually look for ways to close achievement gaps. Students have opportunities to earn high school credits and may take exploratory courses, such as choices in the Fine Arts, Spanish, pre-engineering, health, computer, journalism, and fitness. Cario has one of the highest percentages of students identified as gifted and talented (G.T.) in the Charleston County School District. Cario students compete in numerous local, state, and national academic challenges – and win top awards, such as in the S.C. Science Olympiad, American Mathematic Competition, Math COUNTS competition, C.C.S.D. Spellbound Spelling Bee, Quest, LEGO Robotics, S.C. State Scholastic Chess Championship, and National Geographic Geography Bee, to name just a few. All of our Fine Arts programs win recognition locally and at the state level, if not the national level.

Cario students have competed in local private and community teams in football, volleyball, cheerleading, soccer, tennis, swimming, golf, baseball, and softball, and they win numerous competitions and awards. The yearbook staff produces a high-quality publication, and our Gardening Club is working to grow vegetables for our cafeteria and flowers to make our school more attractive. Our students organized and began a new student-led and student-focused Leadership Is program to link our students with community service projects and programs. Our PTSO has worked with our faculty, staff, and students to open a school store this school year and a Spirit Pantry to offer food and supplies to our Cario families in need. We have spent much time over this school year focusing on student leadership and philanthropy, and we hope to continue and grow what was started this school year for many years to come.

The Cario staff participates in on-going professional development in order to meet the needs of our students. Cario Middle School uses the Making Middle Grades Work national model to implement positive, research-based changes in our school. We recognize the importance of high expectations, rigorous academics, and a safe, supportive learning environment for all students. As partners in education, our faculty and staff, parents, and community members support and actively participate in making Cario Middle School a model for educational excellence: We strive to reach our goal of “preparing resourceful, positive, service-oriented leaders of tomorrow!”

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	94.9
Overall Grade Conversion	A

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Thomas C. Cario Middle School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
